

AMENDMENT UNDER 37 C.F.R. §1.312
U.S. Application No. 10/813,160 (Q80746)

REMARKS

The amendments made herein are only to incorporate continuity data. Thus, no new matter is added, and no further search is necessary.

Applicants believe that no Petition under 37 C.F.R. § 1.78 is necessary insofar as the claim for domestic priority is included in Applicants' Transmittal Letter of March 31, 2004, and the Patent Office has noted Applicants' claim for domestic priority, as can be seen from the domestic priority data set forth on the Official Filing Receipt. However, should the Patent Office consider such a Petition necessary, Applicants intend for this submission to also constitute such a Petition, and the Patent Office is authorized to charge Deposit Account No. 19-4880 for any required petition fee according. The entire delay between the date the claim was due and the date this claim was filed is unintentional.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
